He left an indelible impact on so many... so willing to lend a hand and give a kind word. Puts a smile on my face thinking about his "girls" (as he called his chickens) following him around on the riding lawn mower. Condolences to all family and friends but know he lives on in the hearts of many.

So sad for your loss. Praying for your family. We've got one more reason to go to heaven for than we did yesterday. I'm sure Richard is dangling his feet in the river of life next to Comeaux and Shorty.
