Tilley family. So sad to hear about Daniel, I just talked to him a couple months back on Facebook. You guys were my first friends on O'Neal st. We all grew up together and I know y'all got tired of me following y'all around, but there were no girls on our end of the street so I became one of the guys. I have lots of memories of all us growing up. Daniel will be missed so much, I well know the deep loss and pain of losing a brother. I will keep y'all in my thoughts and prayers.
