We as A family are forever grateful to have a sister and aunt like my sister Bonnie in our lives. She was the big sister who always protected me as a child. Loved my boys Tyler & Dustin Like Her Own. She absolutely loved my husband Dave and was always saying tell Dave Hi and share whatever goodies she sends to us with him. I'll miss our talks. Love you always. Bonnie was a fun and caring cousin. I will always remember when I was growing up in the late 60s and I'd stay with my Richwood cousins. Bonnie would iron my frizzy, curly, red hair so that I could have straight hair like the other girls. We'd all lip sync to country music and Eagles tunes, drink cool-aid, and go out at night looking for night crawlers. Good times and great memories :-)) that I'll never forget. All my love to the family.
