So it must be true huh???*The good die young.....first BaBa and now NeNe. Two incredible young ladies that if you knew them then there was no forgetting them. NeNe has always held it down with those in her life and you gotta know you were blessed if she let you into her world because she didnt have time for everybody. (Seriously)*My tears are not for those who have gone on, But moreso for those left here. I trust that they both knew Our Father, His Son, and were believers.**NeNe and BaBa can now continue their union in Heaven as sisters and look in on our nephew (Andrew Robinson, Jr.)***God please bond family as well as friends together for we all could use a hug from Thee.R.I.P.
