I met Mr. Jones through my grandfather who served in Germany with him. He was a very funny and kind man the handful of times we met. He will be missed.

I am so sorry for your loss. I wish I could be there for you. Unfortunately, I have previous obligations. (Kim wishes she could be there, too. Has to work.)A short memory for you: When you lived on Burson, I came to spend the night. I shot your dad with a water pistol. He retaliated with a WATER HOSE! soaked me, but GOOD! I never squirted him again. I'm going to miss him.
