Words can not express how deeply sorry I am for your loss. To my best friend's Suzette & Bill Brown you and Bill have been there for Miss Betty during both good times and bad. To Sonja; you have your mom's light, smile and style. Wear your bling proud. To Tony Foley; although Miss Betty may not have brought you home from the hospital at birth you were like a son to her. You were with here on countless days and nights not only to sit by her side and give her company but you would make sure she had a meal she enjoyed and someone share it with. You all are such blessings. My family wish you peace during this time. God Bless you all.
