## **Kelvin Lamar Johnson**

JAN 5, 1963 - DEC 4, 2017

**A** memorial service for Kelvin “Pea Vine” Lamar Johnson, will be held on December 10, 2017 at 2:00 pm. Visitation will be starting at 1:00 pm at Labby Memorial in Leesville, LA.

Kelvin was born in Leesville, LA on January 5, 1963 and passed away on December 4, 2017 at the age of 54.

Kelvin is preceded in death by his mother and father, Jewel and Neal Johnson and his sister, Anita McAfee and brother, Kenneth Johnson. He is survived by his sisters, Abbie Griffin and her husband Jason, and Janet Bradshaw and her husband Randy, and his sister-in-law, Linda Johnson. Kelvin is also survived by niece, Milisia Holaway and her husband, Kenny, and nephews Don Johnson, Robbyn Johnson and his wife, Karie, Aaron McGrath and his wife, Shilpi, Jay McGrath and Nicole Bigeleisen, and Beau Gray and his wife, Carrie. He is also survived by great nieces, Emily Johnson and Savannah Gray and great nephews, Thomas Neal Johnson, Logan Holaway, Connor Johnson, Oliver McGrath, Steel Gray, Major Gray, and Crew Gray.

Kelvin loved deer hunting and anything related to it. There probably wasn't a day that went by where he wasn't thinking of hunting or planning for opening day, all the way up until December 4th.

Kelvin was also a member of The Sons of the Confederacy for several years. He was proud of his heritage and so proud to be part of the organization. He traveled to battle re-enactments all over Louisiana and participated in them dressed in a replica of the uniforms originally worn. He very much enjoyed his involvement with The Sons of the Confederacy.

In his last job he worked as an Electrician for Pride Industries on Fort Polk.

Kelvin had many, many family and friends who loved him and he loved them too. He was truly one of the most kind and loving people you could ever know. We will all miss him and we will always love him and keep him in our hearts.

## Obituary

For once, I am at a lose for words. Never once did I ever meet him, that he was not smiling, and always spoke. No matter where I saw him, he always spoke , with words of kindness, when others wouldn't. He was one of a kind. He loved his southern heritage and was very proud of his family roots. You could speak with him briefly and know within minutes of where he stood in life!! He and I loved to talk of the old days, the old ways of life, and his family. He use to tell me, I think I was born seventy years too late. He loved life and loved his family! He loved and was very proud of his family name. He was not ashamed to tell you, I am proud to of been a part of my family heritage, and carry our last name with pride. To the family: I am so sorry for your lose. I will truly miss him! Cherish all memories and may God comfort you in this time of need.

Pea Vine was one of my best friends when I was growing. When I was little I asked him to be my brother. The name stuck. He called me brother whenever he saw me. There were many times we would go to his house for crawfish boils, ride the three wheeler around. As I got older he would pick me up in the morning sometimes and take me to the lease to hopefully get a deer. I have many great memories and many lessons that he has taught me. Pea Vine will be truely missed.
