She enjoyed life, anytime you saw her, she had a smile on her face. She loved working in her flower beds, and if she wasn't able to get outside, you could find her quilting or painting.

I am so very sorry for your loss. She was a precious, precious lady, and I don't think the Lord is making many more like her. She always had a smile on her face and a kind word to greet you with. May you all find comfort in knowing she is with her Lord and Savior.
