This man was larger than life when I was a child, you see him and dad were the best of friends for years and years. In my father's eyes there was nothing Kenneth Ray couldn't do. They used to ride horses together, pen cattle, weld, garden, bail hay, the list could go on and on. All the stories I remember hearing about ole Kenneth Ray. My dad loved this man and was so close to him as if they were brothers. My heart goes out to Debby, Buzz, Kelly, and Jimmie. May God wrap his arms around you and your loved ones through out this hard time. Love ya bunches

Mr. Dunn was such a dear man. He had love in his heart for many of us as we did him. I'm sure he is working in his beautiful garden and taking care of Heaven's horse's.....bringing joy to our Lord. His pain and suffering gone. God Bless You! My deepest sympathies to his family.
