Aunt Lou was the first person I met when I came to Louisiana in 1976. She and Tuck welcomed me into their home and family with all hospitality. She was a really great lady with more memories made than one realizes. I'll miss her but she had a great run and was really sharp right until the end. I hope to see her again in Glory.

My heart hurts because I know the the emptiness you and your families must be feeling right now. My prayers go out to you. Gloria Sue (Punkin)
