I was Darlene's roommate when we were very young. Her mom Linda always welcomed me to family meals, holidays, & gave me a place to stay during Hurricane Alicia. I always remember her containers of pecans in the freezer that she used to make so many goodies. I am grateful for Facebook, where we reunited. Praying for family & friends to find strength during this difficult time. I am sure Linda is w/ Bill now, happy as they always were when they were together.
