My heartfelt condolences to Nena's family. We were friends in high school, lost touch and recently reconnected. We just had a great conversation a couple of weeks ago. We were both looking forward to seeing one another at our reunion. I remember her as being a bright light, happy and fun friend. From the comments that her friends that she's had in her adult life also see and appreciate that about her as well. Mrs. Billiot, I do pray that you are comforted during this time.

Nena, girl you left us entirely too soon. I know GOD has a plan for us all and apparently he needed another Angel to teach those that had come before you how to smile! Yours was so infectious and once you showed your pearly whites, those around you couldn't help but smile in your presence too. You brought joy to so many by just being you. It's one of the many things that we will all miss about you the most! Until we all meet you again pretty lady. Until that day, spread that infectious smile around Heavens Gates and check in on us all from time to time. Definitely gonna miss you in a BIG way! The warmest of Prayers for Peace go out to your family!

I cannot express in words how much Nena will be missed. From the moment she stepped into our spa and every day since then she was truly a genuine soul. The sound of her voice, her laughter and especially her smile made the room light up as she entered it. Though selfishly we will miss her and want her with us...Heaven will be blessed to have our beautiful Nena.
