With thoughts of sympathy and support, I hope you will reflect on God's love for those who have been lost in death. Just think, to bring someone back to life, God has to know everything about that one, including what he looked like, his inherited and acquired traits, and his complete memory: "Looking straight at them, Jesus said: 'With men it is impossible but not so with God, for all things are possible with God.' (Mark 10:27)
