Kenneth and I are so sorry for your loss. Our prayers are with your family during this time. Kathleen,I'd like to leave something for you to read sometimes...GRIEF I had my own notion of grief.I thought it was a sad time That followed the death of someone you love.And you had to push through it To get to the other side.But I'm learning there is no other side.There is no pushing through.But rather,There is absorption.Adjustment.Acceptance.And grief is not something that you complete.But rather you endure.Grief is not a task to finish,And move on,But an element of yourself-An alteration of your being.A new way of seeing,A new definition of self.
