I love and miss you so very much! I remember all our family visits and playing with you and Jess. My favorite is when we were way younger and played in the old house forever.

I am so sorry for your loss. I just found out and am praying for your family and her babies. I have known Clarissa since childhood and we were good friends. I hate that I lost touch with her over the years. I've tried searching her. I wish I'd found her. Also wish I'd found out before her services so I could've paid my respects to her family. May God be with this family in this time of sorrow and give them peace.
