This is just a message from a fellow co-worker and veteran. To the Lee family, my condolences. Mr. Lee was strong and hard working, qualities that are rare in this day and age. Mr. Lee and D. Patrick provided some of the most entertaining days while I worked with them. Couple of characters...my sympathy goes out to you as well D.

Gm Roberts/Lee family. On behalf of the johnson/lee family we certainly sadden to hear of Craig's passing on to b with The Lord. Apostle Paul declared to b absent from the body is to b present with The Lord. The O.T. Preacher tells there is a season for all things. And so God looked upon His Flowery garden and saw it was time to pluck a flower and He chose Craig. If I could speak a word God said Craig come on home and take your eternal rest your work down here is done. We thank God for the loan and Craig passing our way. Helen continue to hold on to God And He will certainly hold you and the family. We do sorrowfully apologize for our absence on this day that The Lord has made. Our prayers and love are always with you. Rev Mark Johnson and The Johnson/Lee Family.

My heart is heavy but GOD will ease all. My cousin is the reason for Percy being in my life and I will never forget it. Craig and Helen is the reason I have my sons and their families. Our plans did not happen this past summer however God had control and I will not question him. Just know that the trip to New Orleans was so special and we will not forget it. I love you all so much and so sorry due to June still in hospital I will not be with you in person. Please know I would be there otherwise. Hope to see you all soon. God has you all in his loving arms today and forever more.
