To Gloria and the entire family. I am so sorry for your loss. It has been many many years since I have seen him but I remember the fun stories my dad Arnold used to tell. And my few interactions with him were always so nice. You are all in my thoughts and prayers.

Mrs Dionne, I do not think we have ever met however I am acquainted with Joe and I cannot tell how shocked and saddened to see that He has passed. I thought very highly of Joe and just talked to him at Lowes last week. He looked great so it came as quiet a shock. Please accept my deep condolences and know that you are in my prayers. I did not find out until late this evening and the funeral was today or I would have been there. He was a good friend.
