My mom told me of the passing of Ms. Abby. I couldn't believe it so I had to see for myself. The news was heart breaking. Ms. Abby was an amazing woman and she had an impact on my life from the first "kiss" when I entered her driving school. The entire class loved her and I will be spreading the word of her service so all who loved her can attend because sadly I will more than likely not be able to. R.I.P
