Noelle and Shane I am so sorry to hear about the loss of Pat. She is such a wonderful woman. Such a wonderful friend to my momma and aunt for many years. Nothing that anyone can say can ever take away the pain and sadness that you both feel right now. Just know that there are people here that love you both all and are praying for you all. Just always remember to cherish the memories that you all have with her. Those will comfort you all in the days, and weeks to come. If you all need anything please let me know.

I am sorry to hear about this. Patricia and I date back to the church nursery at First Baptist Church of Leesville. Her mother and my mother were good friends, and I knew Patricia through all of our years of growing up. She was definitely a sweet lady and a good friend through our childhood years.
