We are so sorry for your loss....we had a short visit with Randy a few months back at Kipling Korner... Phil always like to call him Jesse (Paw Paw) and they would tell stories to each other....I know that each of you will miss him...we are sorry that we couldn't be at his service...we were able to come a few hours before it and we hated that we didn't get to see any you.....we will be praying for comfort, peace and strength for all of you...
