You will not find a more patient and loving man than my sweet daddy. He loved his God and his family. He was a provider and the best daddy in the world. He loved my mom so much. They were a match made in heaven. He leaves behind a legacy with a path of light for us to follow and many precious memories. There will never be another like him and he will be forever loved and missed.

I will remember Bro. Roberts as a very good man. He would do anything he could to help another person. They don't make a lot like him anymore, it seems. The world could use a lot of Buck Roberts'. I am sorry for your loss and I pray God will keep each of you in His loving, protecting hands in the days ahead.
