Mrs. Bobbie: I didn't know Don but I have heard so many good things about him. We are originally from Ringgold and your mom worked with my mother Willie Morgan at Fletchers Clinic for many years. We still go to church there with Malcolm and Barbara. You and your family are in our prayers. May God bless each of you.

Our thoughts and prayers are with the family at this time of great loss. I met Mr. McFatter years ago at the Louisiana Forestry Commission. My father, Carlton Hurst, worked with Mr McFatter many years ago. I am sure they are in heaven discussing the OLD Forestry Commission Days. May GOD comfort you in the days ahead.
