I was so sorry to hear of the passing of your son, Salvinia. Reading the other entries in the Guest Book tells me he was a wonderful person. Having you as his mother to shape his character, how could he have been anything other than a great man? You were the best second grade teacher ever and the way you loved your students tells me you were a wonderful mother who had to have had wonderful sons. May you and all those who loved Mark find peace and comfort in your happy memories. Linda Johnson Crane Leesville Elementary Second Grade Class of 1955/56
