Mr. Brown had the cleanest bus in Vernon Parish. He was a very nice bus driver. Didn't allow no fights or bullying on his bus. He protected you like you were his own child. When The Lord blesses him with grandchildren, you thought he had won the lottery. He was so proud. He was just an awesome man. I love when I would get off the bus and race him to my block and when I would reach the point before he did, he would just honk his horn. Oh yeah, he had a horn out of this world. Family, Mr. Brown was the best.
