So many memories over the years have Uncle Butch in them and they were all with a SMILE! I'll never forget the first time he let me drive his car in town when I was learning to drive...I can hear him now as I changed lanes IN the middle of an intersection. He was truly one of a kind, loved by so many & will be missed greatly!

Our greatly loved Uncle Butch will be missed. He is in a place where he no longer wants for anything and is with those who went before him. Love, Suzie
