Sister Ethel!! I was just a child but how well I remember this beautiful lady! She was beautiful inside and out. I loved her. I have fond memories of seeing her in church...and at her home. My daddy was her Pastor at the time and I would go with him sometimes when he visited his saints. We loved the Sparks family and her husband..Bro Jody Walker. Heaven holds so many dear and precious saints that I long to see once again. She lived her life for the moment....that God would take her Home!
