Our family has suffered a huge loss, our dear sweet Aunt Jean was the glue that held everyone together. Words can't express how much she will be missed. I've already found myself dialing her number just to share some small news with her and I'm sure others will do the same. Rest in Peace Auntie. Love you always!! Mallory

In memory of my dear sweet childhood cousin friend. I am so much richer today from knowing you. I do so appreciate all the times we had together, whether spending a night with you, or playing basketball at school. You were always there with your smile. Even in the last, when I saw you at the Marshall reunion a few weeks back. You will be greatly missed. God's grace abounds always and may peace be with those who survive you.
