Aunt Freda, I still can't believe you have gone on ahead to wait for all of us who loved you so very much. The last few years you and I shared before you went into the nursing home were such fun. You always had a big smile and was always truly so glad to see me. No one ever loved me with unconditional love like you. I miss those times we had laughing, going to eat out together, going to the cemetery together, just visiting with one another. I'll miss you always and as Marianne posted here I'll miss you always "BIG MUCH". Have a glorious eternity with all the ones you loved and missed so much since they had made it home. Now you have!! Love you always and forever!!

I can just imagine the shouting going on when her feet hit those golden streets. She wanted me to praise the Lord when I heard she had gone on. It took a while but I finally could. This lady was beautiful inside as well as out. I will miss her terribly.
