To Jimmy's family, I am so saddened to hear of Jimmy's passing. He was a dear friend, and joy to visit and be around. I can't believe that he's passed on, and will miss him very much. We enjoyed such great times together, and he was always dependable and courteous to me. I think of our good times together very often. He sure loved his boys very much. E Grady Stephens

A dear friend since the early grades, and a nicer guy you couldn't find. In fact, I think he raised the quality factor of our entire class by several points. Leesville was a better place because of Jimmy.
