Joyce, Thomas, Brenda and family; Heartfelt sympathies to you all. I learned when both my parents passed away, that I didn't lose them and neither have you.....They are both in heaven as are Varnie and Wesley. If you know where your loved ones are, then they are not lost, and not in a better place, but in the BEST place, as there is no better place than Heaven. I wondered how Wesley was going to handle the death of his lovely wife of 63 years. God had it all under control. Praise the Lord, you all will see them both again. Much love.

We are saddened to learn of the loss of both Wesley and Varnie. Trusting in God's infinite wisdom, we must believe that He lovingly spared Wesley of the hurt and grief. They were both precious people and I am so honored to have known them and am able to call them my relatives. We are praying for comfort for the whole family as you go this very difficult time.
