Mady was born in Belgrade, Yugoslavia, survived WWII as a student in Vienna, Austria, married Sam Sr. and came to the United States in 1956. She was fluent in English, Serbian, German and French. Mady was an excellent dancer, especially to swing band music, and could dance to any music. Other activities she enjoyed included being with friends, traveling and reading. As President of the Fort Polk NCO Wives Club, she served the office with elegance, dignity and grace. Some of the fun events she organized were formal evening dances, concerts, afternoon teas, fashion shows, children's Christmas and Easter parties, and numerous charitable events. Mady retired from her civil service job after 20 years. We are heartbroken at our loss and Mady will be dearly missed.

Mady was a lovely woman who will be greatly missed. She was always so classy and we were all better people just being in her presence. As a child I felt special just being in her home and as an adult I saw the wonderful gracious and loving person she was. May you find comfort in the knowledge that she was loved by many. Remember the good times and keep her memory close to your heart for I know she loved all of you deeply.
