My memories of Tommy Robertson is from my early days at the DOIM on Ft Polk. His work ethics were awesome and he was very good at teaching/helping peers sort out production problems. Without even knowing that he was doing so, he taught some of us how to detect, analyze and resolve problems. Tommy was just one of the good guys. I am sure he is missed by lots of people.

I was doctor Jones nurse for many years and your parents were my patients. We loves when they would come for a visit, it was not a regular doctor visit, it was a friendly visit. They would stay and talk with us for an hour, I can't tell you all how much we truly loved them. I pray for God to give comfort to you in this time of sorrow, I know you loved your parents and I know how much they loved their children. God Bless you all.
