Pruitt and Jim - So sorry to hear about you Mother. We shared so many memories together through the years. First as neighbors and then through the credit union. She made me laugh when she told me that besides her family, two of the best "things" in her life was her hysterectomy and the city sewer.....and I totally understood the joke. She was a very special lady and I will always remember her big smile and her kind heart.

I have fond memories of Rosemary and Patsy at the credit union. I was stuck in Las Vegas once, after having a streak of bad luck, I contacted Rosemary at the credit union to wire me money to eat and get back home. This was in the days when credit union business was simple and informal.
