Beth Kilman was one of the dearest teachers at Leesville High when I was attending. I had her for home room and of course Typing! What a wonderful woman! It has only been a few years since I last saw her but she was still looking fantastic. I am so very sorry for her loss. She touched many lives and I'm thankful that mine was one of those. With love and blessings.....

I always felt right at home with Mr. and Mrs Kilman!! I love them both more than words can describe. Mrs. Beth...taught me a lot and I always took her wisdom to heart, and still carry many of it with me to this day. A Beautiful, and spunky woman and made me laugh many a time. Angels are hugging you now and welcoming you with love and admiration. My deepest sympathy to the entire family! Bettie Hubbard, DeRidder, Louisiana.
