I had the privilege to work with Branden working canoes one weekend for Julian Campbell! It was a while back, but he was a friendly and nice guy! I didn't get the chance to really get to know him like his big brother Jesse. But those few hours I did it was really nice. I remember I was afraid to back the truck up to hook the canoe trailer to the truck so I said I would get out and pull the trailer to the truck. Branden got out and backed it up for me! Although I felt kinda bad he showed me up. I had to smile because he was a guy that you could never get upset at. To the family of Branden. I to have lost a brother and my parents lost their son! Its gonna be hard to cope with it at first. But with the help of friends and family also with knowing GOD is with you all it will take one day at a time to get through it. MY PRAYERS GO OUT TO YOU AND YOUR FAMILY THROUGH THIS TROUBLED TIME.
