Thank each of you for your condolences. My Nana is missed by me and the rest of our family more and more everyday. Thankfully, God called her home. She served a long life of helping others and eating ice cream (: I am her oldest grand daughter and her legacy and love will live in my heart , my families heart , and the heart of everyone she touched until our paths run into hers again. Again, Thank you and God Bless.

It was a privledge to work with Linda. She was a consumate professional, very serious about doing a good job. But, my favorite thing about Linda was her sense of humor. Since Linda has been on sick leave there have been so many times I have started to go to her office to tell her something because Linda would appreciate the joke. I miss laughing with my friend.
