Dear Barb, Susan, Michael, and all of Alice's family,\r\n\r\nI am so sorry for your loss. Alice was a wonderful woman and a great mother. I have two special memories of her. First being her wedding to my uncle chuck, I was pretty young and so impressed by the beautiful wedding and the wonderful reception. I learned to polka and I loved it. Second, was attending the 50th anniversary of their marriage. I am so glad I was able to be there for those occasions \r\n\r\nI will keep you all in my prayers and I know Alice will be watching over all of you.

My thoughts and prayers are with Susie, Barb and Mike. We became acquainted 40 or so years ago when we were all stationed in Panama. I loved going to the McShane house...was treated like family. Susie and I have remained close through the years even though many miles separate us. I pray for comfort and peace during this difficult time, and that all find solace in the fact that she is with the love of her life!
