To the family of Beatrice. We wondered where your mother was. Did not know where she went when she left DeRidder. Casciel, Hazel, my mother, always wondered who would be left out of the three. She is the last one. We said Bea's mother would not die until Beatrice did.. They looked so much alike. Always remembered playing at the Boarding house. We did think of her often. Wish we could be with you on the 17th, but have a house full of company coming. Our love and Sympathy is with you, Kaye and Ralph
