I have know Mrs. Grace for the last 13 years. She was one of the sweetest and kindest person that I have ever known. She was the one person that my daughter would go to in the nursery @ FBC DeRidder. It was a pleaseure to work with her when I was the childcare coordinator for the MOPS group. I pray that God will give you the strength to get through this tough time. I know that Mrs. Grace is loved by all who had any contact with her. \r\n\r\nLove, \r\nDaniel, Kathy, Bobby, Jordanna & Aaron Green

I have known of Ms. Grace for many years as she was the caregiver to two of my children at First Baptist Church. Little did I know that when I started working in 1999 next door to her home that I would come to know her as my friend, especially the last 6 years. We shared the same love for cats and together we tried to catch and get as many of the females fixed. She will always be in my mind.
