Uncle Curtis, Tainue, Teresa, and all our family. May God Bless, Keep, Comfort, Lead, Guide, Direct & Protect during this our time of sadness & joy. Yes, we're naturally sad but our soul says yes! Yes to His reception of our Loved one. Because we love Him also we rejoice in His promise to receive those He love. My Aunt was the absolute sweetest person ever, with a strong, powerful leader ability yet as soft-spoken as an angel. No doubt she'll be advanced to head Angel right away. \r\nI'll never forget our \"talk\" and your always saying of me, \"That's My Boy!\" I Love You, Auntee,\r\nJay

Teresa,\r\n\r\nI know you are grieving and there are really no good words to help you though this. She is in a better place and resting comfortable now. Hold on to your family and your memories and she is with you everyday. You and your family are in my prayers as I know all to well what a rough few days you will have ahead of you. Take care of yourself and we will see you back home.\r\n\r\nShelly
