Dear Kay, \r\nDeanna and I are crushed, we have been great friends for over 44 years. I remember our first double date together, before we all got married. We have played golf and got together every chance we could get. Deanna and I had talked about going to see you next time we were going to Pearland this coming year. I wanted to see Chucks new clubs He was so proud of and play a round together at his club and see your place. What a great guy. We love you and Chuck and can hardly believe it. Please know that you and the Girls are in our prayers. We wish we could be there. Our hearts are heavy and praying for you. We miss Him already. I am sure at the resurrection we will take off together where we left off.\r\n\r\nMuch Love Always,\r\nOtto & Deanna Kreuzer
