Dear Aunt Shirley,\r\n\r\nYou were loved very much by your family and most of all by your two sisters Pat and Tami. I will remember you as being so funny and silly. You chose a challenging life this time around and you must have grown weary so many times but the love you had for DeeDee kept you going. It fills my heart to know you've gone home, in peace to much love and to DeeDee. I know she was there to meet and help you cross over. You must have been so happy to see her again!\r\n\r\nMuch Love Charlene
