Our aunt June was very special and dear to us. She will be greatly missed! So glad we were able to see her briefly on her last trip up North this past summer with her son Carl. She spoke with me, mentioning how she missed the times we visited together when they used to live up in our area, and I agreed, telling her I also missed those times. She was a very special aunt indeed!

I remember the first time when I met June and Albert. It was during one of my trips to Minnesota and Wisconsin. Carl had picked me up in the Twin Cities and we drove up to their home. A home full with love and harmony met me. I am very glad that I had the chance to meet them both and be sharing their stories of old times. June was the link between my granddad and Carl. My deepest sympathies goes to you all. Hans Johnsson
