Yes Joey was a very funny guy. We played in a band together in high school and played on the football team together. I rarely ever saw Joey get mad and had a really laid back personality. HERE'S TO YOU BROTHER!!!!!!

Joey was my only brother, and my big one. There's so many things that i keep thinking about. Good times and bad that we went through together. He was a typical brother, he tormented me when we were little, but also took up for me when he needed to. I miss him so much. I just want to have another Sunday dinner with him, laughing and talking about things we did when we were little. I love you Joey. You and Daddy will always be in my heart. RIP

Joey will always be one of the very few people from elementary school that I can call a friend. He was my \"bestest\" friend in 4th grade. Joey, I love you and I know Heaven has another angel. My condolences to his family, I hope you all find peace.
