My condolences to the family. Ms Betty was a wonderful woman. It has been a pleasure to know her and I know she will be greatly missed by all who knew her. I had the pleasure of meeting her years ago when I was a public health nurse and have always admired her. She was a great lady.

My deepest sympathies to all of Betty's family and friends. I had just gotten to know her through volunteer work at the Agape Clinic. She had a wonderful sense of humor which I greatly appreciated. She was very kind and treated everyone warmly. She was a wonderful person and I know she will be missed. I'm glad I was allowed to know her even if only for a short time.
