Girl, I am going to miss you. We had some good times together. When you all use to sneak me in the clubs. I enjoyed having you for my sister-in-law. Now you're resting with your sister-in-law. I know that you all are having a good time in heaven. Save a place for me. Love Rosie

Tonya was my sister, friend, neighbor and family. We spent many days laughing and joking, and tending to the kids. We are family and her kids are my kids. I will miss you so much. I love you and will do all I can to take care of the kids and all my extended family. My condolences to the family for our loss.

To the family our prayers are with you as you go through your bereavement. LaTonya was a loving Mother, Daughter, and Grandmother and a good friend to everyone who knew her. She will be greatly missed but oh my GOD there is peace for where she is going she is now with the Father no more pain and suffering for God saw fit to call her home. Latonya will always be missed but remember we will see her again for as long as we get it right on this side we will see her again. Remember the same GOD that brought you to it, is the Same GOD that will bring you through it. God Bless from the Steward Family.
