To Bert's family; Renee, and step-daughters, Peggy and Evelyn, we offer our deepest sympathy. In the short while that we were acquainted with Bert, we could not have asked for a better neighbor. He was truly a very giving person, and caring person. We certainly will miss his & Renee's visits with us on our front porch, as we talked about how we would fix all the world's problems, if it was left up to us.

My condolences to the family. Bert was a good man, long-time friend, and a classmate in watchmaking school many years ago. RIP
