My heart is heavy today because I won't be able to attend the service of a beautiful lady that I called Aunt Lois. I have many fun memories at her house and her quick wit that made us all laugh. She would have been great on American Idol! She always made us feel loved and very comfortable in her home. I feel very blessed to have had so many great women in my life while growing up. My prayers are with the family today and all the days ahead. I love you all and I'm so glad to be a part of such a great family. So sorry I can't be there today.
