to: Beverly's family\r\nI am so very sorry for Beverly's suffering and death. As a little girl, she would come to see Uncle Herald, my daddy, and I at 8 yrs older would fix her hair and dress her up like a doll. After her first marriage, she would stop by the house with the kids and visit. I enjoyed those times. The last time I saw her she was in so much pain, it hurt me to look into her eyes. I am so glad she is out of pain. Uncle Herald is gone for two years now. I feel my family slipping away. Good luck to you and remember the mom not in pain.\r\nVondale
