So many years have passed but I've thought of Jesse so often. My 1st boyfriend, the crush I never forgot! You never know how profound someone is to your life, nor how quickly they are gone. I wish I had known Jesse as the adult he became, what a beautiful soul. My sincere condolences to his beautiful daughter, his mom, and sister Daphne.

To All of Jesse's Loved Ones,\r\n\r\nOur Prays and Condolences go out to each and everyone of you that have ever experienced Jesse's warmth and kind heartedness. We are proud to say Jesse is our friend and we are truly blessed to have known him during his short time on earth. Our hearts are filled with great sadness and emptiness. To Jesse's mother: We are truly sorry for the loss of your son, but he is a great man that is admired tremendously for his work with PAWS and anyone in need! He lead a good life. To his sister: We also give you our sympathy because Jesse is like a bother to me and my wife, we truly think of you in the same manner. To his daughter: your father told us how much he loved you and he wished that he could be closer to you over the years. To everyone else that has ever met Jesse: Please remember that Jesse's Family in Kuwait needs support too. Titus, Dolly, Rusty, and Lexy have lost their daddy and they do not know what had happened to him and their world; they are sooo confused. They all have homes now except Titus. We pray with all of our hearts that he finds a loving home and will be taken care of the rest of his life.

I'm sorry for your loss. I lost my father last year so I can understand your pain. Death is never easy to accept which is why it's called an enemy in the Bible at 1 Corinthians 15:26. Jesus gave us a hope based on the Bible at John 11:25: "I am the resurrection and the life. He that exercises faith in me, even though he dies, will come to life." So, we will be able to see our loved ones again by means of the resurrection. At that time we will never have to lose them again. Why can we say that? Because God as promised us this in the Bible at such scriptures as Isaiah 25:8, Isaiah 26:19, and Revelation 21:3-5. Isn't this good news? Please read these scriptures in your own Bible. Sincerely, Ms. Simmons

I unfortunately never got to know you although i saw you almost on a daily basis, i regret not having spoken to you more. After reading that you were a member of PAWS i truly wish i would've taken the time out to get to know you more. From the random instances that i did speak to you, you came off as an extremely genuine and caring person. im so sorry that this happened to you but also trust in gods plan, there is a definite order to all things, i pray for strength for your family and want them to know that you touched a lot of lives. I know there is a purpose to all things, and you didnt pass away in vain, i hope that your family reads all of these posts people have written and know how much you truly touched everyone's lives in Kuwait.... from people who knew you for several years to people who only met you in passing. Everyone who had the pleasure of meeting you knows what an amazing person you truly were. God bless.

Life has been filled with challenges ever since my husband left me and move on with another woman. Most times i had thought of ending it all. Things became worst when I lost my home, family and all to Hurricane Matthew and I became a refugee in my own country, Haiti. The only property I had left was an Internet-enabled phone in my pocket. One faithful day, i found one Doctor Samura on the Internet, on Face-book. Someone from the US had testified of many great things that Doctor Samura had done for her and her family. I contacted him and the rest they say is history. Today i am happily married to a soldier I met in camp, and i am getting my happiness back again. I cannot keep this happiness to myself because i am not selfish. You too can contact Doctor Samura on E-mail: SAMURATELLERSPELL@GMAIL.COM or call him on phone +2348103508204 whatsapp.
